

A Tribute To Johnny Cash

Bill Forness voice and a theatrical stage presence, Bill Forness has become the most sought after Johnny Cash Tribute act anywhere!

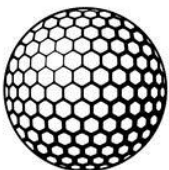

When I was growing up I would sing along to Johnny Cash on the radio with my mother in our kitchen, she would say, "that's right son, sing just like that" unknowingly, the sound just came natural. After several years of exploring my own musical endeavors, the time had come to step back into my past by honoring the music and stories of Johnny Cash. His songwriting has found it's home in me.

Bill sang songs like "I Walk the Line", "Boy Named Sue", "Jackson", "One Piece at a Time" plus many more.

Everyone was excited and many sang along.

Annual Golf Ball Drop \$\$\$\$Cash Prizes\$\$\$\$

The annual Millstadt Homecoming is just around the corner and that means the Annual Millstadt Senior Center Golf Ball drop will be on Saturday, night August 31, at 7:30 pm. Note, in the past the Gold Ball Drop was held at the

Fireman's Picnic. Tickets are \$3.00 each or two for \$5.00. Each of the numbered golf balls is placed in a duffle bag and then dropped by one of Millstadt's finest Fireman from a bucket truck onto a simulated golf green. The closest ball to or in the hole will win a cash prize of \$200.00.

Golf balls that fall into the hole will be lifted out and

It is August already and pounding of hammers and smell of tar are in the air. If you were to fly over Millstadt you would definitely notice a town with all brand new roofs. I have been encouraging everyone to be really careful with their choice in roof contractors. I have been told by a few people that the contractors are coming back and wanting more money after the job is complete. Please be cautious!

I'm campaigning for volunteers this month. We are in need of Meals on Wheels drivers and volunteers to help serve and clean up lunch.

If you are wanting to donate money before the end of the year you might consider Millstadt Township Senior Services. Did you know that for \$22.50 you could feed one senior for a week or \$90 for the month?

This month we received a \$10,000 Outreach Grant to serve meals on Tuesdays at the Smithton Senior Center. Our first Tuesday we had 30 diners, and everyone was truly grateful and enjoyed the meal and Bingo game. I look forward to seeing them every Tuesday in August and September. These funds were made available from your tax dollars by the Department of Aging and distributed by AgeSmart for reaching out to groups that haven't had access to Congregate meals in the past.

We received notice yesterday that we were awarded a \$2,468 grant that we applied for. This is a program capital improvement grant from the Department of Aging and distributed by AgeSmart. These funds will be used for a new ice maker and stove.

It has been a "grant" full month. Today we received notice that we have been awarded \$7,100 to help SHIP/SHAP/MIPPA clients. These funds are from the Department of Insurance and Aging and distributed by AgeSmart. We will be able to use these funds to help inform clients about Medicare Advantage, Medicare Prescription Drug coverage, and Medigap plan comparison or enrollments; explain how supplemental insurance options (e.g. insurance plans for retirees) work with Medicare; help with Social Security and State Medicaid applications.

The Sandra M Bereitschaft Foundation gave us a grant this month for \$1,666 to purchase 1600 Oliver containers for Meals on Wheels. (that's too many 6's)

I was able to get away for four days this month to the Ozarks. It was, as it most often is, awesome and much needed. My friend and I stayed in a condo on the lake and hit up the lake zone for a little bit of R&R. The sun was great, and dining out was exceptional and we also watched the sun set on a lake cruise and the overall trip was a huge success.

Have a great month

Patty

Board Members from the Sandra M Bereitschaft Foundation helped deliver and serve meals on Tuesday, July 9, 2019. Included above are : Sandy Sanders, Kitchen Manager, Debbie Mertz, Don Mertz and Eileen Doerr.

DID YOU SIGN IN?

Knowing who is at lunch at the Center is important for a number of reasons. First of all it's good to keep track so if someone isn't there for a few days we can contact them to make sure everything is ok. Second, when you sign in and are registered we are able to submit your name to receive our grant money to help pay for the meals. A way to look at it is that if you aren't registered and signed in we can't send a bill for your lunch to the Area Agency on Aging.

Farmer's Market at VFW

The Millstadt Farmers Market has registered vendors that can accept DHS coupon checks. The coupon checks were given out at the Millstadt Senior Center on July 25. For the fifth year, the Millstadt Farmer's Market, now located at the Millstadt VFW parking lot, offers a selection of locally grown produce such as jellies, pickles, corn and the ever popular homegrown tomatoes. The Market will be available every Friday, during the summer, from 3:00-6:00 pm. Each week will offer a different assortment of fresh produce and items for sale including eggs, honey, cut flowers, bakery goods, and seasonal vegetables and fruits. In addition, jewelry, kettle corn and birdhouses are also available for sale. See what our own local vendors and farmers have each week in the way of fresh garden produce and other craft items.

Operation Food Search

The Millstadt Senior Center once again will be participating in Operation Food Search. Operation Food Search is a Commodity Supplemental Food Program (CSFP) a Senior Food assistance Program.

What is the CSFP?

The Illinois Commodity Supplemental Food Program (CSFP) works to improve the health of older persons at least 60 years of age by supplementing their diets with nutritious USDA commodity foods. CSFP food packages do not provide a complete diet, but rather are good sources of the nutrients typically lacking in the diets of the target population. These include vitamins A and C, calcium and iron.

How does the program operate?

USDA purchases food and makes it available to IDHS along with

funds for administrative costs. IDHS distributes the food to public

and non-profit private local agencies from the USDA distribution

center. Local agencies determine the eligibility of applicants,

distribute the foods, and provide nutrition education.

Local

agencies also provide referrals to other welfare, nutrition, and

health care programs such as WIC, food stamps, Medicaid, and

Medicare.

What are the requirements to get food through CSFP? Elderly must reside in the state of Illinois. Older persons must have income at or below 130 percent of the Federal Poverty Income Guidelines.

What foods are provided to participants?

Food packages include a variety of foods, such as non-fat dry milk, evaporated milk, juice, hot or ready-to-eat cereal, rice or pasta, peanut butter or dry beans or peas, canned meat or poultry or tuna or salmon or egg mix, and canned fruits and vegetables.

The Millstadt Senior Center will be assisting in signing up candidates for the Food

A unique effort to provide age-friendly musical performances for older adults

throughout Southern Illinois recently brought together several leaders in the region. As the older adult population grows and becomes more diverse, many organizations in this area have recognized that it is imperative to develop and implement creative strategies to meet their growing interests and needs. To create opportunities for older adults to move and connect through music, fifteen MusicianFest events will take place at senior centers this year with support from the music recording industry's Music Performance Trust Fund.

Partners include, from left to right, front: Joy Paeth, AgeSmart Community Resources CEO, Kiyeon Yoch, AgeSmart Community Resources Grants/Planning Manager, Fonda Jones, Seasoned Circle Café Director. Back: Christina Sellers, Compliance Specialist, AgeSmart Community Resources; Anna Unger, Secretary, Local 29-717, Metro-East Musicians Union, Granite City; Melissa Winkeler, Southwestern Illinois College Programs and Services for Older Persons Activities Director; Patty Evansco, Millstadt Township Senior Services Director. Not pictured: Danara Moore, Director of Strategic Design, Greenville University and Dan Beck, Trustee, Music Performance Trust Fund.

Do you shop on Amazon? Now there is a new version of the company's website – smile.amazon.com – the company will donate 0.5% of the purchase price to charity. Customers pick their charity through the new website and there are almost one million to choose from, including Sandra Marie Bereitschaft Foundation (supports Millstadt, Freeburg and Smithton Meals on Wheels program).

There is no cap on the amount Amazon will donate and almost every physical product sold by the company is eligible, which means tens of millions of items. Digital goods are not included, but that may come in the future.

Everything else about the Amazon online shopping experience stays the same, including the shopping cart, wish lists and shipping options. The prices will also be the same, so these donations will suck some of the profit out of each sale Amazon makes through the program.

Please be sure to sign up, shop and add “Sandra Marie Bereitschaft Foundation” as your designated charity.

Thank you. <http://smile.amazon.com>

June 24, 2019 Meeting

A summary of the meeting minutes is provided in this article for a complete version of the minutes, checkout the Village of Millstadt web site.

Street, Alleys and Sidewalks: 60/40 sidewalk projects have begun. Two residents have signed-up for the program. Any interested resident can contact the Village Office.

Public Building, Maintenance and Equipment: Mayor Todd would like Board to made decision on whether to repair leaf vac by August.

Park, Pool and Recreation: June movie in the park went well. The next movie in the park is Friday, September 13.

Old Business: Mayor Todd stated there has been another written complaint concerning a house on the 400 block of West Washington Street. There have been multiple complaints.

New Business: Melissa Helfrich handed out pictures and provided background on Millstadt Milling. In May, it was recognized as one of the most historical building in Illinois. They are in touch with organizations to help them find grant money to help repurpose the building. Melissa would like the Village to take abatement and the threat of demolition off the table as well as remove the public nuisance designation. She needs three years to get a plan together. A lawsuit will have to be filed to repair the roof, due to an insurance claim, that was not repaired properly before she purchased the property. Mayor Todd suggested a six-month reporting time-line on plans and what has been done. Board agreed that Millstadt Milling give an update and report on their progress at the Village Board Meeting on Monday, December 9, 2019.

Meals on Wheels One of the Center's most important programs, the Meals on Wheels program provides daily meals to people who have difficulty getting out of the house and/or cooking for themselves. Not only are we able to supply necessary food, but the driver delivering the meal is able to ascertain how the client is getting along and share some companionship. We have a number of folks dedicated to providing these services. They give freely of their time and energy to deliver the meals, make contact with the recipient and report back to the Center. The majority of the "regular" drivers volunteer one day per week and most have said it is highly rewarding for them.
