Don and Debbie Mertz with Patty Evansco display the \$1800 check received from the Ford Motor Company sponsored "Drive 4UR Community" that was held on May 10, 2019. Thank you to the 90 people that came out to drive. For every test drive taken, Ford Motor Company donated \$20 to the cause, for a total up to \$6,000 per event. You are not obligated or pressured to purchase a car, and nobody will contact you afterwards. This is an event for communities that have Ford dealers. We hope you will consider participating in the next "Drive 4UR Community".

Darleen Slovinski was appointed the "official" Quilt Raffle Marshal and did a great job conducting the Quilt Raffle.

Be heat smart! Keep hydrated by sipping water, iced tea or other beverages throughout the day, keep cool with air conditioning or cool showers, wear light layers, and come to the Senior Center or go to the library to give your body a break from extreme temperatures.

Remember to sign up to receive Code Red on both your home and cell phones and keep your cell phone charged, in case of power outage. You or a family member can sign up for Code Red Alerts on the Village of Millstadt website.

June went by quickly and things are constantly changing here. Jaysa Pfaff from Garden Place came and played bingo and brought everyone a surprise goody bag for prizes. St Paul's Home was here also for Bingo and brought lots of treats for prizes. MCS Teachers Association came for bingo and brought gifts and ice cream and they also helped with lunch. Carol Ashton came with crafting and made beautiful 4<sup>th</sup> of July centerpieces. On June 19<sup>th</sup> the quilters were honored with a delicious brunch and gifts of lotion to show our appreciation.

Our big day was Friday, June 21<sup>st</sup> we started at 7am with an elevator inspection and passed, then we had Mascoutah Senior Center come over to Wii bowl with us and that was lots of fun, and then we had the Quilt Raffle drawing and all three winners were members of St James, and then I went to the Cardinal Game that night and seen Albert Pujols, that was one busy and exciting day! Have a safe 4<sup>th</sup> of July and enjoy your family.

## Millstadt Swimming Pool

The Millstadt swimming pool opened May 25 and will close September 2, 2019. Ashley Crannage is the manager and Macy Copeland the assistant manager.

The hours of operation are 11:00 am to 8:00 pm. Call 476-3205 for information on passes, swim meets, swim lessons and private splash parties.

## Why Are All Those Cars Parked At The McDonald's Lot?

It's 11:45 am and the empty lot north of the Community Center is filling with cars, trucks and even golf carts. What goes on behind those thick brick walls with some of the Village's most beautiful flowers? Well, lots of things and on July 19, a Friday, your invited to enjoy a lunch, visit with friends, make new friends and check out the various activities and services offered at the Senior Center. To start with, a delicious hot lunch is served each week-day at exactly noon. A monthly menu sheet is available in each monthly Senior Talk Newsletter and additional copies are available inside the Senior Center. Meals are provided by the local IGA, Bredeaux's, Schubert's Smokehouse or China King. For a suggested donation of \$4.50, your lunch will include an entrée, vegetable, bread, dessert and beverage. What a deal, but wait, let's remember that our tax dollars support this program and funds are received from the federal, state, township and village level. In addition, donations, fund raisers, like the BBQ, quilt raffles, buncos, Thrift Store, and the annual purse and jewelry sale ensure the continuation of the meal programs including the home delivered meal program or MOWS.

The Sandra M. Bereitschaft Foundation provides additional financial support to the MOWS program. Trivia night, annual dinner, grants and donations allow the SMBF to provide additional support to the MOWS program.

Without all the fundraisers, donations, grants and government support the programs could not continue with just the \$4.50 suggested donation. To deliver one MOWS it costs over \$11.00. Meal costs, container costs, transportation costs, administrative costs all add up to that \$11.00 figure.

We do request that reservations are made for the JULY 19, meal by calling 476-3731 the day before. So, make your reservation, and stop by your Senior Center for a delicious hot meal, and see why all those cars are parked on the "McDonald's" parking lot.

## Annual Golf Ball Drop \$\$\$\$Cash Prizes\$\$\$\$

The annual Millstadt Homecoming is just around the corner and that means the Annual Millstadt Senior Center Golf Ball drop will be on Saturday, night August 31, at 7:30 pm. Note, in the past the Gold Ball Drop was held at the Fireman's Picnic. Tickets are \$3.00 each or two for \$5.00. Each of the numbered golf balls is placed in a duffle bag and then dropped by one of Millstadt's finest Fireman from a bucket truck onto a simulated golf green. The closest ball to or in the hole will win a cash prize of \$200.00.

Golf balls that fall into the hole will be lifted out and recorded in the order in which they were removed. The golf ball at the bottom of the hole shall be declared the first-place winner. Second prize are two Cardinal tickets; third place is \$100.00 cash and fourth place is \$75.00 cash.

Should no golf balls fall into the hole, it will be necessary to measure surrounding golf balls to determine which one was closest to the hole.

Please sent your check payable to Millstadt Senior Center or call 618-476-3731 and we will ensure your golf balls are in the drop. Tickets may also be purchased at the Homecoming.

China King caterers the Meals at the Senior Center once a month. Next month China King is preparing Generals Chicken with extras on Thursday, July 18<sup>th</sup>.

## Meals On Wheels Volunteers

This summer our Meals on Wheels volunteers have seen lots of action. With averaging nearly 60 meals on wheels per day we reached out for more help and have had a great response. We don't want you think that we would let just anyone bring meals to you and your safety is our number one priority. Throughout the summer we will be running different pictures of the volunteers and telling you something about them. During July board members from the Sandra M Bereitschaft Foundation will be delivering and visiting clients. On Tuesday July 9<sup>th</sup>, Debbie and Don Mertz will be delivering meals and look for Janet Mueller and Marlou Eckert on Thursday July 25<sup>th</sup> and I'm sure they will have a special treat for each of you.

Marsha Davis delivers meals with her two granddaughters (L-R) Micah Davis and Myles Davis. Micah and Myles enjoy helping Mema and seeing the Meals on Wheels clients.

JoJo Holmes and Maxwell Juhas are here for the summer with 9 other volunteers from the National Honor Society at Belleville West High School. The requirements to be in the National Honor Society include 4.0 cumulative GPA, volunteer work at the school or community, done without compensation. All students are leaders, resourceful, good problem solvers, and idea contributors. The student must be of good character and cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern and respect for others, and generally maintains a clean disciplinary record.

## Wii Bowling Heating Up Millstadt

The Millstadt Township Senior Services Wii bowling league is in its ninth year of providing weekly bowling for seniors. We started the Wii bowling to provide a competitive, fun and entertaining atmosphere for our seniors. Over the past nine years we have had 444 senior Wii bowlers participate.

On June 21, 2019 Katie Stein, Mascoutah Senior Center Director along with five of her seniors came to Millstadt Senior Center for a morning of bowling and fun. Millstadt bowling chairperson Rick Coleman had 2 televisions set up with Wii games.

Wii Bowling has become so popular among seniors that a National Senior League was formed to compete in conferences of eight teams. For seven weeks each team bowls against every other team in their conference once. Winners then advance to a playoff lasting one to three weeks. Teams post their scores online each Thursday evening and by Friday morning bowlers can see the results of their competition on the NSL website.

We started out with 12 people bowling and now are up to 18 every Wednesday morning. Director Patty Evansco will discuss with them perhaps moving up to the next level of competition. The entry fee per year for more than 2 teams would be \$200 for the year.

## "The Wonder of God"

I often wonder about God above he is  
Surely the one with the greatest of love  
He makes the moon shine ever so bright  
He makes the stars come out at night  
He gave the birds happy songs to sing  
He makes the flowers bloom in spring  
The miracle of birth was in his plan  
He also gave wisdom to mortal man  
When you are sad and don't know  
What to do talk to God he will listen  
To you. *By Georgia Bruehl*

SISTER CITIES ORGANIZATION

Millstadt Sister Cities Organization is sponsoring the 19th annual Youth Ambassadors Exchange. Sophia Biehl, daughter of Robert and Jill Biehl, and Devin Tucker, son of Ryan and Sarah Tucker, will depart June 14 and spend four weeks in Millstadt's sister city, Gross-Bieberau, Germany. Our students and their families will then host their German exchange partners, Luca Amann and Charlotte Breid, who will arrive July 17 and spend a month in Millstadt.

Ethan, Matthew and Kristine Lamons with Birgit and Ann-Catherine Thierolf

## Youth Ambassadors Exchange

**Visit Of Friends From Millstadt** submitted by Birgit Hartmann-Thierolf of Gross-Bieberau, Germany

In 2016 Pascal Thierolf from Gross-Bieberau and Ethan Lamons from Millstadt were partners in the Youth Ambassador Exchange, and they are still close friends.

Ethan and his parents, Matthew and Kristine, visited Pascal and his family in Gross-Bieberau during May, 2019. Pascal and his family showed their guests nearby castles Veste Otzberg and Burg Breuberg, and took them to the medieval town of Michelstadt where they tasted the world championship Siefert's cream cakes. The Lamons family took part in daily life and enjoyed Schnitzel, Döner, and Kristallweizen (German beer). They spent a day in Frankfurt where Pascal's sister, Ann-Catherine, attends university and plans to come to Millstadt in October for an internship at Belleville West High School.

The Lamons and Thierolf families agreed that the exchange is a fantastic experience.

## What's An Estate Sale?

An estate sale is a way of downsizing household or personal property items without conducting a formal auction or garage sale. The household items are usually left in the home and priced by the professional conducting the sale.

Estate sales are generally conducted by a professional, for a percentage of the revenues. The estate sale administrator will also charge the estate the costs to conduct the sale, including advertising, marketing, research and other fees incurred in giving a successful sale. Contracts are usually agreed to and signed to ensure all costs and actions of the estate professional are agreed to before the sale.

The professional estate sale administrator with the knowledge and experience to price items and determine the need to contact experts to appraise collectible items like cameras, gun collections, cars or jewelry. The administrator will also ensure the unsold items are donated or disposed of.

On **July 15** at 11:00 am, at the Senior Center, Brian Hart from Waterloo, whom frequently conducts Estate Sales in the local area, will provide more details on the process and answer any questions you may have on what an estate sale is about.

## DID YOU SIGN IN?

Knowing who is at lunch at the Center is important for a number of reasons. First of all it's good to keep track so if someone isn't there for a few days we can contact them to make sure everything is ok. Second, when you sign in and are registered we are able to submit your name to receive our grant money to help pay for the meals. A way to look at it is that if you aren't registered and signed in we can't send a bill for your lunch to the Area Agency on Aging.

## Millstadt Farmers Market

Farmers Markets have a long tradition in our area. For a more local flavor stop by the Millstadt Farmers Market, each Friday from 3:00-6:00 pm for fresh local produce. In May, Connie and Larry Schaefer had some fresh strawberries that were picked at the peak of ripeness. They were perfect on pancakes, shortcakes or on ice cream. Tammi Sutter had homemade breads, garlic butter, and "cooked cheese". Known as kock kasse by my grandmother, cooked cheese is a combination of cheeses, butter and cream all cooked together. Tammi uses the cooked cheese as a sauce for broccoli or it can be spread on bread. Fresh range free eggs were also available. Both brown and white eggs are available, depending on the chicken. Leghorns lay the white eggs and the Cuckoo Marans lay the large brown eggs. Stop by and visit with the Simply Delicious sales lady or with the lady selling her own handmade jewelry. Flower and vegetable plants are also available, along with fresh popped kettle corn. The list of vendors and produce changes in week so stop in often to see what's available, This year the Market is again located at the VFW parking lot. Randy Eckert has contacted local truck farmers and other vendors for a local blend of produce and other items for purchase.

## Fun Tomato Facts

**Fruit or vegetable:** Here are a few more interesting facts about how tomatoes might fit into your summer menu.

\*Tomatoes are actually a fruit and vegetable! By botanical definition, a tomato is considered a fruit. Nutritionally, it's classified as a vegetable.

\*The USDA counts some 25,000 different tomato varieties, including hybrids such as Early Girl, which ripens early in the season, and heirlooms such as Cherokee Purple, named for its color.

\*Tomatoes offer health benefits including vitamin C, potassium, fiber and beta-carotene, which the body converts to vitamin A.

\*On average, Americans eat nearly 30 pounds of tomatoes per person per year.

Stop by the Millstadt Farmers Market on Friday's at the VFW parking lot. From 3:00-6:00 pm you can visit with local vendors and farmers and pick-out your own locally grown tomatoes. What's better than a BLT with fresh tomatoes and bacon from Schubert's Smokehouse.

## Operation Food Search

The Millstadt Senior Center once again will be participating in Operation Food Search. Operation Food Search is a Commodity Supplemental Food Program (CSFP) a Senior Food assistance Program. What is the CSFP?

The Illinois Commodity Supplemental Food Program (CSFP) works to improve the health of older persons at least 60 years of age by supplementing their diets with nutritious USDA commodity foods. CSFP food packages do not provide a complete diet, but rather are good sources of the nutrients typically lacking in the diets of the target population. These include vitamins A and C, calcium and iron.

How does the program operate?

USDA purchases food and makes it available to IDHS along with

funds for administrative costs. IDHS distributes the food to public

and non-profit private local agencies from the USDA distribution

center. Local agencies determine the eligibility of applicants,

distribute the foods, and provide nutrition education. Local

agencies also provide referrals to other welfare, nutrition, and

health care programs such as WIC, food stamps, Medicaid, and

Medicare.

What are the requirements to get food through CSFP?

Elderly must reside in the state of Illinois. Older persons must have income at or below 130 percent of the Federal Poverty Income Guidelines.

What foods are provided to participants?

Food packages include a variety of foods, such as non-fat dry milk, evaporated milk, juice, hot or ready-to-eat cereal, rice or pasta, peanut butter or dry beans or peas, canned meat or poultry or tuna or salmon or egg mix, and canned fruits and vegetables.

The Millstadt Senior Center will be assisting in signing up candidates for the Food

Call 618-476-3731 to sign up.

## Houston What's On The Menu?

What did the Apollo 11 astronauts eat on their eight-day trip to the moon back in July 1969? They had 70 bite-size and dehydrated food items to choose from, including beef stew, spaghetti with meat sauce, and scalloped potatoes. The first meal eaten on the moon was bacon squares, peaches, sugar-cookie cubes, pineapple grapefruit drink and coffee.

Bet it cost more than \$11.00 to deliver those meals.

Do you shop on Amazon? Now there is a new version of the company's website – smile.amazon.com – the company will donate 0.5% of the purchase price to charity. Customers pick their charity through the new website and there are almost one million to choose from, including Sandra Marie Bereitschaft Foundation (supports Millstadt, Freeburg and Smithton Meals on Wheels program).

There is no cap on the amount Amazon will donate and almost every physical product sold by the company is eligible, which means tens of millions of items. Digital goods are not included, but that may come in the future.

Everything else about the Amazon online shopping experience stays the same, including the shopping cart, wish lists and shipping options. The prices will also be the same, so these donations will suck some of the profit out of each sale Amazon makes through the program.

Please be sure to sign up, shop and add "Sandra Marie Bereitschaft Foundation" as your designated charity.

## What Are Those Flying Creatures?

If you've been outside in grassy or wooded areas this spring and early summer, you've probably seen them or been bitten by them. Those flying tiny flies that have a bite like pyranas and will fly up your nose and burrow into your ears, are black flies or buffalo gnats. They are swarming in record numbers this year, in part due to the flooding and heavy rains in our area. The gnats are more irritating than mosquitoes because their bites are more painful. Rather than puncturing the skin of victims, the gnat slices open a small wound with its mouth and laps up the blood. An itchy weld can last for day, and so does the scratching. Bug repellents seem to have little affect on the tiny beasts. Homemade remedies from everything to stuffing laundry dryer sheets in clothing to pouring vanilla extract on your hands and rubbing it on your hands, neck and face or making a spray mist of citronella seem to work only slightly better than store bought bug repellents. How long will we have those tiny gnats gnawing on our face and arms? Frost and colder weather will take care of the pests. Just when we started to enjoy the warmer weather, we remember what colder weather is good for.

## "Seniors Come First" Services Available

**Meals on Wheels** One of the Center's most important programs, the Meals on Wheels program provides daily meals to people who have difficulty getting out of the house and/or cooking for themselves. Not only are we able to supply necessary food, but the driver delivering the meal is able to ascertain how the client is getting along and share some companionship. We have a number of folks dedicated to providing these services. They give freely of their time and energy to deliver the meals, make contact with the recipient and report back to the Center. The majority of the "regular" drivers volunteer one day per week and most have said it is highly rewarding for them.

**Lunch Program** Lunch is served Monday through Friday at 12 noon. You must be 60 years of age or older to qualify for this program. It is appreciated that if you want lunch you call the center by 3:00 pm in order to sign up for lunch on the following day. When you come in you may sign yourself up for the next day. If you like, you may sign up for the entire week or month. If you know that you can not make it and you have signed up, please call and let us know that you will not be here and tell us when you will be back for lunch. ## Billie H. Heil

Billie H. Heil, born in Marissa, Illinois on February 2, 1935, passed away June 23, 2019.

Bill was a man who loved his ice cream, his music, and his green velvet chair.

A band director of 49 years, he instructed students of all ages, in all instruments, and his best student was me. Bill obtained his music education degree from Illinois State University and taught at Millstadt Consolidated School, Wheeling School District, Mascoutah Junior High School, and St. Paul's Catholic School. As a band director, many of his students achieved highest honors in their musical competitions, both individually and in group performance.

Bill's musical career started during his eighth-grade school year when he started his own passion project band, the Dreamtimers. While the band started small, it grew to perform at college inauguration events, college class reunions, and dances. He continued to participate in musical organizations including the honorable American School Band Director's Association, the Joey James Orchestra, Skyliners, the Freeburg Big Jazz Band, the RSVP Orchestra, and the Italian Band of Saint Louis. Although he could play any instrument, the saxophone was his favorite, which is why so many people in his family also played saxophone.

Bill has a large family. He is survived by his wife of 39 years, Barbara Elizabeth Heil (nee Simmonds), his children Julia Smith and husband Dennis, Glenn Heil and wife Danielle, and John Heil and wife Tammy, Eric David Ude and wife Jo Ann, Dana Lynn Ude, and Darren Scott Ude.

He is also survived by his grandchildren, Brittany Kennimer, Andrew Smith, Nicholas, Brett, and Mitch Heil, Trevor and Ella Heil, Jeffrey Bonham, David Laux, and Rebecca and Wesley Reno. His family extends to brother Allen and wife Margaret Heil, sisters-in-law Barbara E. Heil, and Dorothy Heil (Dolly), Patricia Dillon, Carol Albers, and brothers-in-law Bill Maserang and Kenneth Simmonds.

He was preceded in death by his parents Harold and Zilpah Heil, brothers Earl, Roy, and Donald Heil. Bill and Barb have shared countless memories over the years, with the fondest ones being the Dreamtimers annual reunions. Barbara recalls fond memories traveling with her husband, but I remember my grandpa as a man that told lots of jokes, loved his vanilla ice cream, and read in his green chair. He was a man that instilled in others his love for music, which carries on today in various ways throughout the family. Bill Heil raised an exceptional family and created incredible musicians. While he has passed on, his legacy will always remain because he truly was the Leader of the Band. Written by Rebecca Floy Reno
