

Volunteer Week At Millstadt Senior Center

During the week of July 18, 2022, volunteers received a thank you surprise and a chance to spin the wheel for a special prize. On Monday, volunteers were treated to a homemade drumstick from Happy Days, Wednesday there were doughnuts, Thursday was cupcake day and Friday was a chance to spin the wheel for gift cards that included: Chick-Filet, Happy Days, Subway, Millstadt IGA, Dollar General, Lee's Home Center, Starbucks, and Casey's. Lee's Home Center also donated gift cards for the giveaway.

For the calendar year of 2021 Millstadt Senior Center had 8,870 volunteer hours logged. This is an average of 170 hours of week worth of help that we receive. We would not be here without you!

We are already in the last month of summer, and I hope all of you are enjoying the long, warm days and resting up for a fun filled fall. I almost want to knock on wood, but it is good to be back to normal.

I need to remind everyone that you must be sure to dial (618) in front of all numbers you dial now whether it is in town or out of town.

We are getting ready for our Fabric Grab on Saturday, August 27th. I never imagined we would get this much fabric, notions, thread, mats, sewing machines, quilting frames, machine surgers, etc. We have items we have not unpacked yet in bags and boxes. If you like sewing, you do not want to miss this sale. We could really use some help sorting and setting it out. If you have any free time the week of August 22nd, we would really appreciate your help.

I know many of you have Frontier telephones and they have not been working properly or not at all for nearly two weeks. I have called and emailed customer service regarding this problem and explained how important it is for seniors to have a telephone. My client had a neighbor who loaned her a telephone but was surely going to need it back. So last Friday I went to Dollar General and purchased a "burner phone" (I think I have watched too many FBI shows). They are really called a TracFone, and I hope I never have to rely on one for service. Once I got it together, it was horrible trying to figure out how to purchase minutes. There are so many decisions to be made such as "buy one time," "auto-renew minutes," "by time or minute purchase." It was a good thing I had not missed my blood pressure pill that day. Surrendering, I got the nerve up to call the 800 number for help. The gentleman was very kind and helpful. We had it all set up so that my client did not have to spend the weekend without a telephone. Yes, you guessed it! We forgot to ask one question; how do you dial out? I was not familiar with this type of phone, so the only number we had in it was mine from when we tested it. I thought of a solution without having to wait on hold at TracFone International again. I arranged for the client to touch my recent number on her screen if she had any problems and I would take care of it for her. She and I checked in with each other on Saturday and Sunday and everything was good. She now is signing up with Spectrum to get a working telephone. Her Frontier telephone has still not been repaired. I know they are busy, but I have people I worry about and want to make sure they are ok. The moral of the story is – always have a Plan B.

Several years ago, when Larry Sanders worked here, anytime the lottery would grow larger than normal, Larry would start a lottery pool. It was fun and we would each put in \$2 for a chance for the golden ticket and know that it would be fun to win the lottery with a group of friends. When the lottery rose to \$1.0B dollars we again got the envelope out and sure enough nobody

MOW Drivers Needed For Freeburg Route

It is with a sad heart that Monday, September 12th we say goodbye to Meals on Wheels volunteer Cheryl Pierpoint after nearly five years of always being here on Mondays. At one time, Cheryl did both Smithton and Freeburg and in 2019 Fern Lansford and her sister Faye Schilling of Smithton took over the Smithton route. Last year Don and Tracy Keller of Freeburg began helping with the New Athens route. Cheryl grew to develop a friendship with all her clients, just as our other Meals on Wheels volunteers do.

The routes have continued to grow, and we have 18 Smithton Meals on Wheels clients, 20 Freeburg Meals on Wheels clients and 9 New Athens clients. If you know of anyone in the Freeburg area that would like to volunteer to help Don and Tracy every Monday from 10:00 to 1:00, please have them call Patty at the Senior Center at (618) 476-3731. Your help is very much appreciated by all concerned.

Community Kindness

Community Kindness of Belleville has generously provided grants to the Sandra M. Bereitschaft Foundation for several years. Their quarterly grants of \$300 have provided funds to purchase the serving dishes for our Meals on Wheels (MOWs) clients. The MOWS program not only delivers meals but also provides a brief social contact and smile to our stay-at-home clients. Thank-you to all donors. If you would like to make a donation to the SMBF, our mailing address is Post Office Box 41, Millstadt, IL 62260.

SMB Foundation

You've seen the news and read the newspaper articles, food prices are soaring and not expected to go down anytime soon.

Costs have also increased for the meals served and delivered by the Millstadt Township Senior Center. Suggested donations for a meal have increased to \$5.00

per meal and this covers less than half the cost of an actual meal delivered. The Millstadt Township Senior Center relies on Federal and State grants along with local support from the Village of Millstadt, Millstadt Township, donations, grants from Community Kindness and St. Clement Community Foundation and fund raisers. The Sandra M. Bereitschaft Foundation also actively supports the local Meals on Wheels program. All funds raised and donated to the SMBF goes to purchase "Olivers" the disposable serving container for delivered meals and other items used solely to support the local MOWS program. Donations to support the local MOWS may be made to the Sandra M. Bereitschaft Foundation, Post Office Box 41, Millstadt, Illinois 62260.

Under the Tower

(Continued from page 1)

wanted to be left out. We shared stories of how we would all contribute to a new state of the art Senior Center. Oh, how spectacular it would be!

My van broke down last week. It has really served me well, all the car seats fit very well when my grandkids were small and as they got older. I then put the seats down and pretended it was a pick-up and could haul anything. The electronic throttle control light came on one day when I was in Smithton. I drove one year with the check engine light on before I had it reset, but I must admit I have never seen a ETC light. It did make the gas pedal act weird, I could push all the way down and it would only go 25 mph. It was ok if I was not in a hurry, but I'm always in a hurry and running late. Mr. George Papachrisanthou, at Mike's Automotive in Millstadt, was my first stop and he reset the light for me. That worked for a few days, but then I was back again. He discovered that my previous battery had been leaking acid on my wiring harness so he replaced some wires. The ETC light came on again. So, I drove there again at 25 miles per hour and just hated to tell him. This time he sent it to the computer store where they checked out my computer. I was worried because all this sounded expensive. As it turned out, nothing was wrong with my car's computer. George put it back in my car and everything is just fine. I asked the seniors to pray for my car which they did. Now I want to tell them thank you. I'm back on the road and happy. I am certainly not ready to buy a new car, at least until after the lottery drawing!

Have good August!

Patty

The Importance Of Power Of Attorney

About once a month someone stops in the Millstadt Senior Center office and asks for a Power of Attorney (POA) document. I want all Seniors to understand the importance of a Power of Attorney and for what it is used.

A Power of Attorney is a legal document that gives an individual the power to act on another person's behalf as either your Medical Power of Attorney and/or your Finance Power of Attorney. You should designate someone close (a relative or someone you truly trust) to be your Medical and Financial POA. Normally your Medical and Financial POAs are not the same person.

Medical Power Of Attorney - A Medical POA appoints an individual as a healthcare agent for another. Depending on the situation, this can allow the Medical POA the authority to do, for example, the following:

Direct the medical care that someone needs. For instance, if your father were ill or needed surgery and you were his healthcare agent, you could collaborate with medical professionals to determine the type of care he receives, the doctors and care providers who treat him, and even where he lives while he recovers. You will want to do what the person has told you regarding resuscitating measures and this will be clearly noted in the POA.

Financial Power Of Attorney - A Financial POA generally appoints an individual as a financial agent for another. Depending on the situation, this can allow the Financial POA the authority to do the following: -

Access someone's financial accounts to pay household and medical bills, manage property, file taxes, and apply for public benefits such as veterans benefits and Medicaid.

Keeping Our Vehicles In Top-Notch Shape

We are very fortunate at Millstadt Township Senior Services to have very professional drivers to take our clients to and from their destinations. Our drivers maintain high standards of cleanliness for the vehicles they drive. The vehicles look new every morning. Thanks to Bob and Barb Louis we now have an added accessory, to help keep the Sandra M Bereitschaft Foundation van sparkling. In taking meals over to Smithton often gravy or juice was spilling over in the back. After shampooing the carpet many times to keep it new, Bob found a tray that was designed to fit in the back of the van to catch any spills. This will help keep this van looking new and we only must rinse the mat off after use. Thank you, Bob and Barb!

Mastering Aging Update

This week in our Aging Mastery Program class the topic was Falls Prevention. Carol Sauerwein, a physical therapist from Memorial Hospital gave the presentation and did an excellent job. She examines her patients and develops fitness and wellness-oriented programs for healthier and more active lifestyles. Did you realize that starting at 65 we begin to lose 45% of our muscle strength? It is hard decision to make, but we must start exercising consistently to live longer. Make it part of your lifestyle at least three times a week and you will see results. Carol had handouts for each member of the class. They included "Physical Fitness Guide" and "Home Exercise Program" both are great guides to begin an at home exercise program. If you would like a copy, please stop by and I will be glad to share with you. Next Tuesday, August 2nd at 10:00 am the topic will be Medication Management and will include a pharmacist discussion involving Multiple Medications, Alternative Approaches to Medication and Medicare Part D, Disposing of Medicines Properly, and My Drug Diary. This last class will be August 16th. We are hoping to schedule on Fridays "Living a Healthy Life with Chronic Conditions" This class will educate people with chronic diseases such as COPD, high blood pressure, arthritis, anxiety, fibromyalgia, and more, on improving life skills required to live well with a chronic disease. These skills include meal planning, stress management, relaxation techniques, safe and effective exercise strategies, and communication skills. You will receive a participant book, relaxation CD and in each class, healthy snacks. Sponsored by AgeSmart.

Bunco Boom

On Tuesday, July 19th the Millstadt Senior Center held Bunco. There were 3 teams of 4 players that rotated tables. It started out kind of rowdy but calmed down after everyone figured out who was leaving and who was staying. The once quiet room was suddenly filled with laughter and yelling. Bunco is a game of chance, popular with all ages. This was our first week having it in-house at the Senior Center and we only played one session. We usually hold Bunco as a fundraiser once or twice a year. We will play Bunco again on Wednesday August 17th at 1:00 pm. This time we will collect \$2 to get in and \$1 toward the pot and \$1 for 3 raffle chances to win a grand prize.

There are usually two sessions of the game with six rounds each (like the six sides of a die). In each round, your goal is to match your roll with the number of the round.

For example, during the sixth round, you want to roll at least one "six." If you do, you can keep rolling until you don't throw any sixes — each matching die equals one point. And, if you roll three sixes in one go, you get bunco, which is worth 23 points toward your overall score. (There is also 5 points given for any three-of-a-kind rolled, which is different than getting "bunco.") The players with the top points, take home some of the pot.

Friendship and fun are really the draw for bunco players and most other games played at the Senior Centers.

If you do not file taxes, you will need to sign a paper when you have your application submitted.

Benefit Access requirements:

1. Age

- you must be 16 years of age or older and totally disabled before January 1 of this year.

NOTE: "Person with a disability" means a person unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months.

2. Residency

- you must live in Illinois at the time you file your application.

3. Income Limit Eligibility for the License Plate discount and/or Ride Free Transit Card: (Income limit increase effective 1/1/2020.)

NOTE: You must include your spouse's income if married and living together on December 31 of last year. If your spouse died last year, you would file as single and claim only your income. Do NOT include the income of a Qualified Additional Resident.

Eligibility is good for two years under the Benefit Access Program. The two-year period starts the date your application is approved. You may file again beginning 90 days before your eligibility expires.

Who qualifies as disabled?

How To Get Help From Social Security

Although we encourage using our online services, if your clients can't complete their business online, they can call us toll-free at **1-800-772-1213**. Our phone lines are usually less busy before 10 a.m. and from 4 p.m. to 7 p.m. local time, and later in the week, or later in the month.

While appointments are **strongly recommended**, we continue to help people without one. An appointment reduces the wait time and ensures that your client knows what documents to bring, so we can help them in one visit. If your client needs to visit their local Social Security office without an appointment, we are here to help. Our offices tend to be less busy later in the day, later in the week, and later in the month.

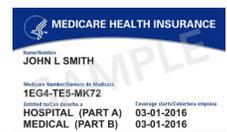

To learn more about our safety measures and restrictions before visiting our offices, visit our webpage, How to Get Help from Social Security.

Senior Health Insurance Program New (S.H.I.P)

During the summer months, Medicare beneficiaries may find it beneficial to start preparing in advance for Medicare's annual enrollment period which begins October 15th and ends December 7th. In the fall, your drug plan or health plan will mail to you an Annual Notice of Change letter or "ANOC," which will outline all the changes that will be made to your plan beginning January 1st. Before you receive these letters, we recommend scheduling an appointment with your primary care physician to review any medications that you are taking. This is especially useful if you have medications prescribed by more than one doctor. You may want to discuss the effectiveness of the medications, the strength and dosage, and what alternatives are available. Having this conversation with your doctor at least annually will prevent you from taking medications that are no longer needed or no longer effective. You may also find it beneficial to talk to your pharmacist. This may also help you save money! If you would like to schedule an appointment, please call Millstadt Township Senior Services at (618) 476-3731 and we would be glad to help you.

How Do You Get A New Medicare Card?

If you misplace or lose your Medicare Card, please do not fret. The Millstadt Senior Center can have a replacement Medicare card on its way to you within 5 minutes. This is a very easy and simple task and we are glad to help you with it. Call (618) 476-3731 if you have any questions.

BIBLE TALK

The Acts Of The Holy Spirit

Hello to all. Thank you for joining with me today to continue our study of the book of Acts. Chapter 19 contains various plights Paul and his companions were subjected to during his second visit in Ephesus. His first visit recorded in Acts 18 lasted about three months. This second visit lasted about two and one fourth years.

Acts 19:1-7. Paul meets a group of twelve disciples. He asked them, "Did you receive the Holy Spirit when you believed?" They had been baptized by John who told them of the one coming after, but until they met Paul, they did not realize the "one coming after" was Jesus. "When Paul placed his hands on them, the Holy Spirit came on them and they spoke in tongues and prophesied."

Acts 19:8-12. God worked extraordinary miracles through Paul, but many refused to accept Paul's teachings. Paul left the synagogue and took those who believed with him. He continued teaching in the lecture hall of Tyrannus. (Tyrannus could have been the name of the school, but it is believed to have been the name of a Jewish school master who was greatly affected to the Christian cause and bravely allowed Christian meetings at his school).

Acts 19:13-22. Paul's dealings with the exorcists. They claimed they could expel evil spirits while Paul taught, we could resist evil spirits by faith in Christ. We are now introduced to two special friends of Paul's who are traveling with him. (Paul mentions them fondly in his letters included in the Bible. Gaius: Acts 19, Roman's 16:23. The apostle John also speaks well of Gaius in 3John:1-14. Aristarchus: We know very little of his past or about the rest of his life, but Paul valued his friendship and refers to him in Acts 19:29, Philemon 1:23-24 and Colossians 4:10).

My Bible refers to Acts 19:23-41 as "The Riot in Ephesus". This section is not too difficult to understand. The Temple of Artemis in Ephesus was one of the original Seven Wonders of the World and a very popular tourist attraction in the Roman world. (A money maker.). Demetrius, as well as others earned an income by crafting tiny silver shrines which sold quite well to tourists. Concerned that Paul would destroy the profits of his sales, Demetrius stirred the crowds with his comments. "And you can see and hear how this fellow Paul has convinced and led astray large numbers of people here in Ephesus and in practically the whole province of Asia when he says man made gods are no gods at all ". Eventually the city clerk (Records keeper) saved Paul and his companions. The clerk knew that Rome would not interfere unless there was a riot and dismissed all charges against them and saved not only Paul and his companions but his own skin as well. (Note: The Temple of Artemis is no longer standing).

The book Acts is often referred to as The Acts of the Apostles. The book records the acts of the Holy Spirit working through different people. Open your heart and let the Holy Spirit of God work through you! Blessings and peace, *Pat Morris*

Senior Center Building Goal

The Village of Millstadt has purchased land to build a new Millstadt Municipal Building that will include the Millstadt Village Administration offices, Millstadt Police Department, and the Millstadt Township Senior Center. We hope to see this project a reality within the next ten years.

We at the Center envision a day when we can expand physical space, programs, and outreach to welcome more of the people who need us the most. We want to become even more vibrant and more essential to those we serve, to do what we do better and grander. We are estimating the Senior Center portion of this to cost \$1.5 million dollars. Your legacy gifts, memorials and donations can help make this vision a reality.

Au Gratin Green Beans

Have a surplus of green beans and a family gathering on the schedule. Following this a recipe to use a gallon of green beans and serve 24 members of your family.

- 1 gallon of green beans, cleaned and cut
- ¼ cup diced onion
- ¾ cup evaporated milk
- 3 teaspoons flour
- 1 teaspoon salt
- 1 ½ cups cubed Velveeta cheese

Combine all ingredients, except green beans, in sauce pan and heat until cheese is melted.

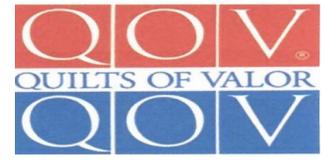

DID YOU SIGN IN?

Knowing who is at lunch at the Center is important for a number of reasons. First of all it's good to keep track so if someone isn't there for a few days we can contact them to make sure everything is ok. Second, when you sign in and are registered we are able to submit your name to receive our grant money to help pay for the meals. A way to look at it is that if you aren't registered and signed in we can't send a bill for your lunch to the Area Agency on Aging.

Your Help in This Matter is Greatly Appreciated
