

Local Navy Veteran Receives Quilt of Valor

Surrounded by family and friends, Ken Harres was the recipient of a Quilt of Valor to honor and thank him for his years of service in the military. Petty Officer Harres was drafted out of high school and served in the Phillipines toward the end of World War II. The Navy made him an offer to finish his enlistment early if he signed up for the Naval Reserves, so he did. His unit was the first to be called upon for duty in the Korean conflict on the USS Missouri. Petty Officer Harres served as a metalsmith. Mr. Harres is a lifelong member of the American Legion, served as mentor for returning soldiers, Chaplain for the Millstadt VFW and a member of the Color Guard well into his 80's.

From Below The Tower

Patty Evansco

Things are looking up and we can see the light at the end of the tunnel! Did you know that 70% of Millstadt is vaccinated? This is great news! We now have a big job ahead of us. We have created a plan of how we are going to reopen and are expecting to open our doors on Tuesday, July 6, 2021

at 8:00 a.m! We will be happy to see everyone and will have free biscuits and gravy until 9:30 a.m., I am sure someone will bring doughnuts!

For over fourteen months things have been so hectic around here, but that is not necessarily a bad thing. We are serving triple the meals we did before the pandemic and helping more people, that is what we do here, so all is good!

The quilters have been coming back and I am hoping the Wii bowling league will start back up right away. Corn hole will be live on the porch again and Bingo once again on Tuesdays and Fridays.

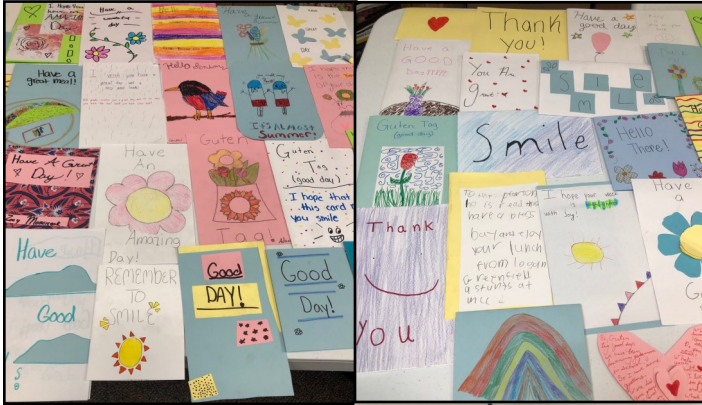

When you come back, we will need your help. We will need volunteers to help with the extra jobs. I know I can count on you. The Senior Center has been fortunate to have had many loyal volunteers during the entire pandemic. Many of them seldom missed a day and we are surely grateful for their help. We could not have done it without them!

There are some new things I would like to offer here such as Ukulele lessons, Yoga, Weekly Computer, Exercise to Tape, Pinochle, Watercolors, and Scrabble

Sunshine Cards Brighten Seniors Day

Over 100 "Sunshine Cards" made by 6th graders at Millstadt Community School have been donated to seniors at Millstadt Senior Center. It was such a pleasant surprise!

The idea began when the 6th graders annual tour of Millstadt and visit to the Senior Center was cancelled due to COVID. They wanted to do something since the Senior Center had to close due to the pandemic. The students wanted to do something for the seniors who were unable to attend the senior center and help with possible isolation.

This was a great project and if anyone would like to bring cards to the Senior Center, we would be glad to drop them off with the lunches we deliver. Any students needing volunteer time may do cards and drop them off anytime. We will start keeping track of the number and count how many we have given out at end of the year.

These cards were created with love and you can feel the laughter and patience the talented students put into them and I know they will bring much joy.

Mr. Derington's sixth grade students Woolen, Aden, Matthew, Collin, Nick, and Tim present cards to Millstadt Senior Center Director Patty Evansco and Assistant Manager Sandy Dressler Sanders.

Director Patty Evansco accepts donations of Lysol wipes and plastic bags from Teresa Braunseis of Paderborn. Teresa is a graduate student in the Nonprofit Management Program at Washington University in St. Louis. She is working on a research project and recently developed a Nutrition Program Survey for our Senior Center. The results were very positive, and everyone misses all our activities and were very satisfied with the food. We are hoping to open the Senior Center back up sometime this summer.

MPD Police Academy

The Millstadt Police Department is excited to announce the return of the Youth Academy. It was cancelled in 2020 due to the COVID-19. The academy is for youth ages 9-12 and will be held July 26-30. The cost is \$60.00. The youth and police officers will engage in a variety of activities which will include one field trip day. Applications are available at the Police Department and at Millstadt Village Hall.

MCCS Students Donate Money To Those In Need

The Sandra Marie Bereitschaft Foundation has been helping Millstadt Senior Center to feed seniors in Millstadt since 2013. The late Sandy Bereitschaft volunteered every Monday delivering Meals on Wheels to homebound seniors. Through the years the program expanded to rural and urban areas of Millstadt, Freeburg, and Smithton. Now with COVID 19, the need for food and social visits has more than doubled.

We are serving people who never used us before. People, mostly seniors quarantined to their homes who never needed our help.

But now, the SMB Foundation is getting a \$1,500 donation from Braeden Pfeil and Drew Thomason and their families, money raised for their May 2020 class trip. It has been a tradition that the 8th grade students take a trip to New York and Washington D.C. before graduating.

We are so thankful for the support of the community, like these young graduates, who have helped raise funds and know that they have made many people happy by helping to fund the Meals on Wheels program. The students' donation is enough to purchase 4,327 Oliver containers that are used to package distributed meals. This past year we have been used an average of 127 containers per day.

This is an incredible gift that is a factor to help keep people healthy and strong. The money was hard earned by the students and their families but truly appreciated. *Thank you!*

Volunteer Opportunity

If you would like to volunteer to help as a meal site server or dishwasher at the Senior Center any day from 11:30-1:00 p.m. please contact Patty at (618) 476-3731.

Did You Know – SENIOR CITIZEN TAX PROGRAMS & EXEMPTIONS

The Senior Citizen Homestead Exemption reduces the assessed value of your property by \$5,000 and is available for a residence owned and occupied by a person **65 or older during the tax year**. If you qualify and do not receive this exemption, contact the Board of Review at (618) 277-6600, ext. 2489, 2493, 2488.

The Senior Citizens Assessment Freeze is an exemption available to senior citizens can apply for a freeze of the assessed value of their property. Applicant must be 65 or older and have a total household income of \$65,000 or less and must be the owner of record and use the property as their principal residence. Contact the Assessor's Office at (618) 825-2704 for more information and/or an application.

Senior Citizens Real Estate Tax Deferral Program allows persons 65 years of age and older, who have a total household income of less than \$55,000 and meet certain other qualifications, to defer all or part of the real estate taxes and special assessments on their principal residences. The deferral is similar to a loan against the property's market value. A lien is filed on the property in order to ensure repayment of the deferral. The state pays the property taxes and then recovers the money, plus 6 percent annual interest, when the property is sold or transferred. The deferral must be repaid within one year of the taxpayer's death or 90 days after the property ceases to qualify for this program. The maximum amount that can be deferred, including interest and lien fees, is 80 percent of the taxpayer's equity interest in the property. The maximum annual amount is \$5,000.00. To apply for real estate tax deferrals, Forms PTAX-1017-TD, Application for Deferral of Real Estate Taxes, and PTAX-1018-TD, Real Estate Tax Deferral and Recovery Agreement, must be completed. To Serve And Protect

On May 25, an officer from the Millstadt Police Department delivered on their motto. A young lady visiting from Edwardsville locked her keys and cell phone inside her car parked by the basketball court in the park. After realizing her dilemma, she asked two local ladies in the park to use a cellphone. She called a friend for assistance but they were not available to bring another key until after 3:00 pm, a wait of over four hours. Then an "ah ha" moment came to one of the local ladies, a police officer can possibly open the car door. Help was a phone call away to the Millstadt Police Department. A very short time later an officer arrived and quickly and efficiently had the car door opened. Thank-you to the Millstadt Police Department for their service to our community.

BIBLE TALK

Faith, Hope and Love

The Apostle Paul ended the "love" chapter (**1 Corinthians 13:13**) with these words, "***So faith, hope, love abide, these three; but the greatest of these is love.***" In this verse he gives the 3 keys to a blessed life. The 3 keys are: "***faith,***" "***hope***" and "***love.***"

"***Faith***" is belief and trust. It isn't faith in faith, or I just believe. Instead it is faith in the object of faith, which is the LORD "Jehovah" God Almighty – the Triune God of Father, Son and Holy Spirit. The Lord God is the one in whom you are called upon to believe in and upon, as well as to trust your life to, in this world and the next. So being armed with Faith in the LORD you are able to overcome the fears that come knocking on the doors of your heart, mind and soul throughout your days of life in this world. And we all know that there are many of those. The Apostle Peter wrote (**1 Peter 5:7**), "***Cast all your anxieties on the Lord, for He cares about you.***"

"***Hope***" is the expectation of a good future. Again, hope isn't just wishful thinking. It is hope in the LORD. It is the expectation that God has a good plan for you and your life. Even, and especially, when the going is rough. So being armed with Hope in the God you are able to overcome the daily discouragements of this life. The Apostle Paul wrote (**Romans 15:13**), "***May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.***"

"***Love***" is affection and good-will towards others. Love is the very essence of God's nature and purpose of all of His Commandments. The Apostle Paul wrote (**Galatians 5:14**), "***For the whole law is fulfilled in one word: 'You shall love your neighbor as yourself.'***" Love is the way we are to treat all, not just those who love you. Remember the Golden Rule? So being armed with Love in the LORD you are able to overcome the things that drive you to anger and hate, as well as what which would cause you to be unconcerned about others in this world.

So whatever you are facing in your day-to-day life, turn to the Father, through the Son (Jesus) and allow the Spirit to raise you up in "***faith***" to overcome your fears, "***hope***" to overcome your hurts and discouragements, and "***love***" to overcome your angers and hate. In this way you will truly receive God's blessings and in turn be a blessing to others. Blessings to you in the name of the one and only Savior and Lord, Jesus Christ;

Moving Thoughts

Maybe God wants us to meet a few wrong people before meeting the right one so that when we finally meet the right person, we will know how to be grateful for that gift.

When the door of happiness closes, another opens, but often times we look so long at the closed door that we don't see the one which has been opened for us.

The best kind of friend is the kind you can sit on a porch and swing with, never say a word, and then walk away feeling like it was the best conversation you've ever had. It's true that we don't know what we've got until we lose it, but it's also true that we don't know what we've been missing until it arrives.

Giving someone all your love is never an assurance that they'll love you back! Don't expect love in return; just wait for it to grow in their heart but if it doesn't, be content it grew in yours. It takes only a minute to get a crush on someone, an hour to like someone, and a day to love someone, but it takes a lifetime to forget someone. Don't go for looks; they can deceive. Don't go for wealth; even that fades away. Go for someone who makes you smile because it takes only a smile to make a dark day seem bright. Find the one that makes your heart smile.

There are moments in life when you miss someone so much that you just want to pick them from your dreams and hug them for real!

Dream what you want to dream; go where you want to go; be what you want to be, because you have only one life and one chance to do all the things you want to do.

May you have enough happiness to make you sweet, enough trials to make you strong, enough sorrow to keep you human, enough hope to make you happy.

Always put yourself in others' shoes. If you feel that it hurts you, it probably hurts the other person, too.

The happiest of people don't necessarily have the best of everything; they just make the most of everything that comes along their way.

Happiness lies for those who cry, those who hurt, those who have searched, and those who have tried, for only they can appreciate the importance of people who have touched their lives. Love begins with a smile, grows with a kiss and ends with a tear. The brightest future will always be based on a forgotten past, you can't go on well in life until you let go of your past failures and heartaches.

When you were born, you were crying and everyone around you was smiling. Live your life so that when you die, you're the one who is smiling and everyone around you is crying.

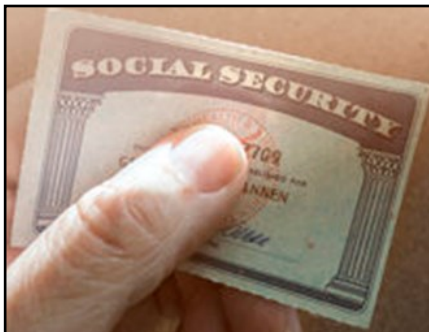

Please send this message to those people who mean something to you, to those who have touched your life in one way or another, to those who make you smile when you really need it, to those that make you see the brighter side of things when you are really down, to those who you want to let them know that you appreciate their friendship. And if you don't, don't worry, nothing bad will happen to you, you will just miss out on the opportunity to brighten someone's day with this message.

Replacement Or Corrected Social Security Cards During The COVID-19 Pandemic

By Tanya Peterson, SS District Manager, East St. Louis, IL

Social Security offices are currently open only for in-person appointments for limited, critical situations, depending upon local office conditions. However, you can continue to apply for a replacement Social Security card online and by mail. Before requesting a replacement card, please remember that you might not need the physical card. Most of the time, simply knowing your Social Security number is enough. If you have a critical situation that requires you to have a physical card and you cannot apply by mail or online, you should call your local Social Security office. Please visit our Coronavirus (COVID-19) Updates page for more information at www.ssa.gov/coronavirus.

Applying Online:

If you don't need any changes to your Social Security Number record (such as a name or date of birth change), applying for a replacement card online is your most convenient option. You don't need to mail proof or visit an office.

You can use our online application if you are an adult, have a State-issued drivers' license or non-driver identification card, and live in the District of Columbia or one of the 45 States that verifies State-issued documents for us. All you need to do is create a *my Social Security* account to access and complete the online application at www.ssa.gov/myaccount/replacement-card.html.

If you live in one of the five States that do not participate - Minnesota, Nevada, New Hampshire, Oklahoma, and West Virginia — know that we are working hard to bring this service to you as soon as possible.

Applying by Mail:

We require proof of your identity with your replacement card application (www.ssa.gov/forms/ss-5.pdf), usually a State-

issued drivers' license or non-driver identification card, or U.S. passport. We call these documents "primary" identity proofs. We understand mailing primary identity proofs with

your replacement card application can be challenging. To help, we are temporarily expanding our policy to accept alternative identity documents or what we call "secondary proofs" — when you cannot mail primary proof. Acceptable secondary proofs include, but are not limited to:

- Employee identification card.
- School identification card.
- Health insurance card (not a Medicare card).
- U.S. military identification card.

These proofs must be current (not expired), show your name and identifying information (such as your date of birth or age), and be an original or a certified copy.

If you need to change your name, when you mail your replacement card application, you will need to submit proof of identity plus proof of the name change. The proof of identity can be primary or secondary proof. Proof of the name change could be a marriage certificate, divorce decree, Certificate of Naturalization showing the new name, or a court order approving the name change.

You may be able to submit one document to serve as proof of your name change and identity. For example, you may submit a marriage certificate as proof of name change and identity if the certificate shows the marriage occurred within the prior two years and:

- Includes your prior name.
- Includes your age, birth date or parents' names.
- This information matches your Social Security Number record.
